## And, finally..... A bit more.....

### Go South Coast, Eastleigh:

Updating the information published on 23/12/17:

The University of Southampton has awarded a new UniLink bus contract to Bluestar, which has been operating the UniLink contract since 2008. An order has now been placed for 32 brand new buses.

Following the closure of the Bencroft Halls, single deckers are no longer required on Route U2. Confirmed that the order is for 32 new **double deckers**, for service in September 2018, followed by a further 32 new double deckers in September 2023, thus the new UniLink fleet will be all double decker bus operation.

The existing UniLink fleet (8 x Single Deckers & 24 x Double Deckers) is expected to be deployed elsewhere within Go South Coast.

### RATP London United

LT1000 will be registered LTZ1000, rather than LTZ2200.

### RATP London United

VH45232 has finally been registered 01/18, a month after the bus first entered service.

### Stagecoach: Merseyside & South Lancs, Preston:

15305 has been registered YN67YKY, not YN67YKZ
